Page 06

Whooo!

Doryaa!

Wow. Super! All three of you have an amazing movement

Page 07

No. That's still not good enough Wha!?

How often shall I repeat it Hm! Use your brain more. Your brain!!

How disgusting! Captain. I will quit Bakunetsumaru

I don't know whether that is your former mentor but. I have no duty to listen on such an bike

I have only taken part to show respect to you

Page 08

Me too... I understand that you need our power to protect the peace of the city but It
has no sense to do an training under the command of this bike Besides that, I

Don't like to group Aaa

Wa, wait, Zero! Bakunetsumaru___

You don't need to stop them, Shute But teacher...

When they are doing such an egocentric fighting tactic and move around so sluggish. They
will get hurt for sure And that training is to "be able to take precise actions with

comrades by staying calm and analyzing the situation"... I don't accept idiots, who
don't understand this, as Gundam Force!

Page 09

Bu...But...

Emergency message Blanc Base to captain Gundam

A shuttle with passengers is going mad. Head immediately to the spaceport! What~~A
shuttle~!? Head immediately to the spaceport!

Page 10

Whaaa

Page 11

Lo, look There On the shuttle___

Dark Axis!!

We got this shuttle, Zako We have installed this control horn tightly, Zako

Page 12

I warn you! Put off the control horn and leave the shuttle immediately!

Ka,ka,ka, idiot

Also when you say that we shall give back the thing we have stolen. On Dark Axis, there is
no good boy who would give it honestly back

So you came, Zapper Zaku Ka,ka,ka This shuttle is going to be a ghost ship which
will hover through space

What!?

But before that___

Page 13

I will turn you into an ghost! Ku!!

Page 21

Zero! Bakunetsumaru!!
Who, Who are you? You weren't there before. Why are you here!?
The captain said it
That call of the heart...
Wha..What!? I understand. The energy that the captain released now, was to call those
two...
What an incident... That I could not understand that? No...Maybe even they haven't
realized it. That they are the ultimate warriors... ...that they are connected by an superb

ability...

Page 22

The bond of heart called trust!
Da..Dam... But it's too late Look at that!
Oh,no The shuttle has lift off!!

Page 23

Hm!
That won't!
Captain!
Leave these to us and pursue after that shuttle! Zako~
Understood

Page 24

Ride on. Captain!
Yes!

Page 26

Dam... With With my power alone... This speed is the limit With this, the
shuttle will...
Go away!
It's alright. Mentor
What!?
I'm counting on you. Shute Give me that "Power"... Don't...

Page 27

They are the Gundam Force
Da..Dam Guys, fall back Zako...

Page 33

Episode 2 - Bakunetsumaru - Yesterday's friend is today's enemy

Page 34

Suburb of Neotopia
It looks so beautiful...
When seeing the moon. It looks like a lie that Dark Axis wants to turn this place into stone

Page 35

Hey? Bakunetsumaru's Katana is singing
Fu...
He says that he feels the same It is resonating to the honest feeling of your heart
Since my sword is resonating with the soul What. A sword which is resonating to the soul?
Right...In Ark. There are five holy sword where it is told that "The one who collects them all,
will get an superb power"... The ones I bear are two of them
What These are such great things?

Page 36

Hmm... Originally those belonged to my sword mentor. Sir Haohmaru The master has given me those sword with the order to create a peaceful Ark

Fuun. So that's the background Therefore you want to get as fast as possible back to Ark

Right... It is my duty to collect the five holy swords and calm down the state of strife

Shute

Do you want to take my sword in your hands... What?

Is..Is that alright? Is it right that I touch it?

Of course. If it is you, my sword will also be glad With a person with an heart like you

Page 37

Wow. It's heavy! Bakunetsumaru. You truly must be great to handle such a thing

Oh? This sword

Has an damage at the sheath...

That one... That one was done... By my old friend... What? Why would a friend do such a damage...

Aaa...That's...

It was a night in Ark with a beautiful moon like now...

Page 38

To find a suitable special technique, for the sword I was given by my master. I was making alone... A training by getting hit by a waterfall... Ark the waterfall of the dragon king

Hmm!?

Page 39

Ha!

Who is it!? Are you making an uproar even when knowing that I am Bakunetsumaru!?

Of course Stand up against me. Bakunetsumaru

You..You are...

Page 40

Kujakumaru!

Why? Why do you want to fight with me? Fu I am the one, who would like to know

Page 41

Why has the master given the five holy swords to you? Since our infant days. We have gone the path of the sword under the same master

And I was always one step above you I have never lost a training battle against you

Therefore you want to beat me and rob the five holy sword?

Right

That sword fit's to me!!

Page 42

Stop, Kujakumaru. Such a field battle will turn into a battle of life and death I have no intention to fight a friend like you to death Don't talk such a nonsense

This Ark is currently in a state of strife... Haven't you and I trained to bring peace to the land If you will hand over these swords to the legendary grand shogun

I don't need a friend in this world of strife!!

You're wrong! You're wrong Kujakumaru To bring peace, I have never thought of friends as unnecessary!!

Don't lie

Page 43

Ku

Da,Dam

Ku Ku,Ku,Ku... To struggle at a stone. What an inexperienced one you are

Hmmm...
Indeed. The five holy sword

Page 44

Fit's to me!!
Ku
Deei! Ou!

Page 45

Ku,ku,ku...That's good. Finally you are willing to fight
No... Let's stop it. Kujakumaru The sword...
The five holy sword is not to be used for private gain Also if you had it. Your wish
would not get fulfilled
What are you talking... Then. What fore do you say that the five holy sword exists?
Find the answer by yourself!

Page 46

Hmm!?
What's up? Bakunetsumaru, have you given up to handle over the sword without fighting
Draw it out, Kujakumaru
What!?
That sword... If you can. Draw it out
Oh. I will draw it out! Draw it out and kill you with it!!

Page 47

Uuu!? Wha...What's that!?
I can't!?
It's like the sword and the sheath are one thing...
Dam What has that to mean!? Why, Why can't I draw it out!?

Page 48

Don't you understand it...? The five holy sword can only be wielded by someone, who brings
peace into this world A person with an evil heart can't draw that sword!!
What!? Evil heart!? My wish shall be an evil heart!?
Don't be foolish! I have even made a so severe training that I spilled blood. Just to get
this sword! Everything, for this one sword!

Page 49

Where is there an evil heart!? What's wrong with putting one's heart to get the ruling power!!
...
I... don't need...
Then I don't need it!
A five holy sword which can't be mine__

Page 50

Will be cut by me__!!
What!?

Page 51

It...It disappeared? The five holy sword disappeared?
Don't you understand it yet? You can't draw or cut the five holy sword
Wha..t?
The master hasn't chosen me...
The sword has__

Page 52

The sword has elected me

Page 54

The..The sword has elected you? Su...Such a foolish thing

I will not accept that!!

Whaa!!

Wha, Ha, ha,ha,.How's that Now you can't see anything
Da...Dam, how unfair Have you fallen so far, Kujakumaru

Page 55

Now, die! Let's show the five holy sword, who the stronger one is!!

Then

Whaa

It can't be avoided

You!

Page 56

Why!? Why can you avoid though you can't see me!?

I feel it...

Through the sword. I can understand the movement of Kujakumaru. The five holy
sword tells me to dodge the sword

No, it's not just that

Page 57

It leads me to put my warm heart__

Upon the sword! Kenpu (Sword wind)

!?

Page 58

Ten-kyo-ken (Heaven's Hawk sword)!!

Page 59

Whoaa!!

Page 60

Special technique acquired!!

I.. lost... This Kujakumaru has... lost...!

... Polish your heart, Kujakumaru

And get a musha, who is suitable to Ark

D...Dam... Shut up! Put the final strike, Bakunetsumaru! For a loser. There's no
need for mercy!!

Page 61

I...Idiot... You will regret this...Bakunetsumaru... I will not forget this disgrace I
will throw away the name of Kujakumaru, upon which you have put shame on it and
become a demon... When you are handling with two swords. I will handle the double...
No three times the amount of swords

And then... I will surly take revenge upon you...

By that... I have acquired my special technique but

In exchange for that. I lost one friend...

Page 62

... You always look glad but you had an difficult past. Bakunetsumaru... But

But

Also here and now

Your friends are here

Page 63

Episode 4 - The Winged Knight - The famous sword of Destiny

Page 94

In the outback region of the British Kingdom, which lies near by the Kingdom of Lacroa
Everyone. Pay attention We're already inside the swamp of darkness... Deed -
Knight of the shining blade Rock - Knight of the hot sands

Page 95

Hey, Hey. What's up, Deed Do you dare to say that you believe in the legends about the
swamp of darkness Natak - The bronze knight
I do not believe in everything... But
It's not like you to be worried Battle - Knight of the crimson lotus Also if the
legend would be true. If we four are together____
Wha!
Waaaa...
Nuoo...ww
Rock!? Battle!? Natak!?

Page 97

That's the fortress of the swamp of darkness of the kingdom of British How many years
have passed since I left my homeland of Lacroa to polish my heart... That I have come to
such a foreign country...
Hm!? What's this evil feeling!?
I feel from the fortress of the swamp of darkness a strong evil and a sense of killing
What's happening there...

Page 98

Ugaaa!!
Ku
Dooo

Page 99

Gafuu
I don't know what is happening but a fight of three against one is not beautiful
I am Zero the heaven riding winged knight of the beautiful Lacroa I won't allow such
a unfairness

Page 100

Ugaa! Ha
You!
Don't kill him!
Hm!?

Page 101

Knight of the wing. I am thankful for your power but these are no enemy's
Natak...Sorry! Sleep for a while!! !
What has that to mean? They are no enemy's?
Right... I am Deed, the knight of the shining Blade

Page 102

We four are on a journey to bring a certain person to the new king of the Kingdom of British
A certain person

I understand. That person who is in the horse wagon, right...

Also when I have not seen his sight. I can say that he must be a very noble person

This mild air which is surrounding the horse wagon certainly belongs to the noble
spirit of that person Oh, Ho... Your physical and observation skills are excellent.

You seem to be quite an experienced person

Hm!

!! That's it! That's the evil, I sensed a moment ago!

It's coming The monster which is hiding in this swamp!

Page 103

!?

Wha...

Page 104

What's that!?

It's cancer, the master of the swamp of darkness Cancer!?

There is a legend... That the sword of the Hero general Vatrass of the old kingdom of British is
sealed here and the cancer who is the master of the swamp, is protecting it

Page 105

The cancer who lived for several thousand years, possesses evil forces and tries to rob the lives
of those who come near

The three nights except of me, didn't believe in the legend and did not keep attention.

Therefore, the evil forces could sneak into their hearts and control their will So that's
what happened

And when cancer saw that he couldn't control us. He came out

Page 106

To kill us with his own hands!

Ku

Page 107

Wha... What was that... This released amount of energy has taken off the ground...

Deed. Protect the person in the horse wagon I will handle that monster

By myself! What!?

Take this!

Page 108

Wing sword!!

Wha... What a knight He does not fear that monster but goes alone against it...

You!

Page 109

Wha! Dam, the sword broke!!

Bu... Bu, Bu, Bu...

Aaa!? No. That's not good!

Page 110

The cancer is going to release its energy again!

I won't loose!

Great mana, who you live in the seven regions of the universe Holy spirits, who you
have made a pact with the winged knight...

Lend me now your power

Page 111

Wow, what's with him... Both of them have an enormous energy

Haa! Super magic__!

Page 112
Violet Tornado!!

Page 113
Ubuuu!

Page 115
Uwaaa!!
Wha...What's this... The..The swamp...

Page 116
The entire water of the swamp has blown away!!
Aa That's
On the ground of the swamp. There is standing the knight of wings but alone...?
The cancer... Where has the cancer gone?

Page 117
It isn't here anymore... What!?
Now, Zero, the winged knight
Draw the sword which is at your foot
What. There's a sword!?

...

Page 118
Whaa. What a bright light Can it be, that that sword is!?
You're right, Deed This is the legendary sword. The Vstras sword
You, who's shine is more than equal to the sword's... You must be the beautiful
princess of my beautiful homeland of Lacroa...

Page 119
Princess Lili... First heir to the throne of the kingdom of Lacroa Princess Relejimana Miya
du Lacroa
Right... And you are the white winged knight Gundam of the prophecy The one who shall
save Lacroa... right What
The... The one who shall rescue Lacroa...
That...one...?
In the old prophecy which is told in Lacroa. It is written that once in a thousand years, in the
night when the two moons of light and darkness overlap. One is born who can handle the
great force which lies in light and darkness. A white shining wing climbs over the
clouds of heart and crosses the wings of darkness. Then the heart who pledges loyalty... He
shall get the one to saves the world...

Page 120
M...May... The one of the prophecy, to be that Zero...?
There's no doubt. Therefore the cancer has given him the Vstras sword What?
Right... The monster was not protecting the sword but searched for a savior, who would
inherit the will of the famous general The true hands, whose powers are above the
ones of the evil force of the monster... These where the last words of the cancer which
he told me , before he disappeared and went back to the place of the famous general
Look

Page 121
The... The length of the sword has changed It looks like it has fit to the body of Zero...
The sword has also accepted Zero as it's new master
...Princess... I don't know myself if...I am the one of the prophecy but There is one thing,
I can definitely tell you
What is it?

I am still on my training And I will continue my journey of training to rise my physical and mental skills. But if some danger should come upon you, princess

Page 122

Someday, I will rush to you for sure!!

Thereafter, Zero continued his journey as an free knight And some years later, when the “storm rebellion of Tallgeese” incident happened. Zero kept his promise, rushed to the princess and was assigned together with Deed and the others as a “Royal guard” of Lacroa...

Page 123

Episode 5 - The Knight of tempest and the power of Griffin

Page 124

In a cave near the castle of Lacroa

I feel it...

Some evil guys are approaching towards Lacroa...

Page 126

Uh Ha,Ha,Ha I see it. That's the castle of Lacroa

Hm, Hm, Hm... I don't like it since it's too beautiful This Zapper zaku will smash that and turn it into ruins and ashes

Go, Attack!

Page 127

What!?

Wha..what's this? It seems like an invisible wall?...?

It's a magic protection wall! What?

In this castle of Lacroa. There are four devine beasts. These are putting a strong magic protection wall to protect the land from invaders of foreign countries Who...Who?

This voice. Who???

My name is Tallgeese I am the knight of tempest who is sealed deep in a cave

Se...Sealed??

Page 128

Right. I was once a powerful man, who suited to be the king of Lacroa and have therefor made an uprise Unfortunately my power was not enough and was defeated by the royal guard of Lacroa, which consists of Zero, Rock, Battle, Nataku and Deed, and got sealed here But now, since you appeared here. I have a chance for revenge. Now, lift my seal

Dark Axis! Wha, What Why does he know our name??

...You're an real idiot... I am speaking with you over telepathy... Reading the opponents mind in an easy task... Oh Oh. So that's it

Hey, who's the idiot. Who I won't talk any longer to such an nasty guy like you So what shall we do?

Page 129

Co, commander Tallgeese... What shall we do to lift your seal?

Oh... Someone with a brain appeared That's easy. Just send your evil minded thoughts

I am sealed here by the pure hearts of the royal guard of Lacroa like Zero To break that. There is needed a evil minded heart which surpasses that pure heart...

I understand. That's easy Since at our Axis. There's no one with even a piece of a pure heart... since everything is a mass of black of evil heart

Page 130

But the thoughts won't reach you with that magic protection wall, right? So these thought will be in vain, or? Don't worry. My subordinate, Deathscythe the Knight of darkness... will hear our communication somewhere

He has not the magic power to break the magic protection wall but can neutralize it for a moment. He will weaken the barrier when you release your thoughts If you lift the seal. I will, as a gesture of thank, beat the devine beasts and remove the magic protection wall. I have no interest in what you shall do thereafter with Lacroa
I just want to pay revenge to those who have sealed me Ku...Ku,Ku,Ku. I like you...
The treaty is signed

Page 131

Take it, Tallgeese Break that seal with our evil thoughts!!

Page 132

... My hand moves...
My leg too
And the shoulder... My entire body moves...

Page 133

There is no aftereffect of having been sealed
Now I am here...
The underground palace, where the holy spirit lives!!

Page 134

As I have entered here. I can't get back... Either I beat the devine beast or I get defeated...
